

# Press Release

## New Thermokon Catalogue for 2007 -Now available!

Thermokon one of the leading innovators in BMS sensor technology has launched it's **New** full colour Catalogue for 2007.

The Catalogue lists their complete range of thermal transmitting devices for Building Management Systems including their sophisticated radio sensor system EasySens. This uses the latest EnOcean technology utilising natural energy sources instead of batteries.

Exclusively represented in the UK by Slaney Direct, their catalogue can be downloaded from their website at [www.slaneydirect.co.uk](http://www.slaneydirect.co.uk) or email for your own personal copy to [info@slaneydirect.co.uk](mailto:info@slaneydirect.co.uk).

The Catalogue contains all current products with prices effective from April 2007. Get it now!
